## Note from Director:

We are so excited for Spring to be right around the corner. The nice weather has us anticipating green grass, fresh wood chips and a garden space. If you have any extra seeds for flowers or veggies, we would love to have them.

## What is Step Up to Quality

[stepuptoquality.ne.gov/](http://stepuptoquality.ne.gov/)

Step Up to Quality is not a typical rating system – it's a path. Programs are rated based on how they are meeting quality standards.

Step Up to Quality programs go beyond what is required because they strive to do better for their children's and families' futures.
